SHAIKH TOHID

B.Sc. DATA SCIENCE STUDENT | DATA ANALYSIS • WEB DEVELOPMENT

Mumbai, Maharashtra, India
7666748691
shaikhtohid890@gmail.com

PROFESSIONAL SUMMARY

B.Sc. Data Science student at Patil College, Kalina, affiliated with the University of Mumbai, building practical skills in Python, data analysis and modern web development. Developing foundations in data handling, visualization and machine learning while building responsive websites and portfolio projects. Seeking an internship or entry-level opportunity to contribute, learn from experienced teams and strengthen technical skills through hands-on work.

EDUCATION

B.Sc. Data Science — Currently pursuing
Patil College, Kalina — University of Mumbai

Higher Secondary Certificate (HSC) — 69%

Secondary School Certificate (SSC) — 72.80%

TECHNICAL SKILLS

Programming & Data	Python, Pandas, NumPy, Matplotlib, data cleaning, exploratory analysis
Web Development	HTML, CSS, JavaScript, React, Next.js, TypeScript, Tailwind CSS
Tools & Platforms	MS Excel, SQL, Git, GitHub, Visual Studio Code, Linux
Currently Learning	Machine learning fundamentals, cybersecurity, networking and web security

SELECTED PROJECTS

Personal Portfolio Website

Next.js · TypeScript · Tailwind CSS

Building a responsive multi-page portfolio featuring theme switching, animated UI components and a contact form connected to an API email workflow. Project is in development.

Student Performance Data Analysis

Python · Pandas · NumPy · Matplotlib

Practising analysis with a student dataset, filtering records by attendance, marks, department and age to create focused reports. A learning project; add verified findings and repository link when ready.

LED Fonts Website

Web Development

Website project for an LED lettering business, focused on page structure, styling and user-facing presentation. Add the final live URL and describe only the features completed in the deployed version.

PROFESSIONAL STRENGTHS

Problem-solving • Continuous learning • Attention to detail • Collaboration • Time management

CAREER INTERESTS

Data Science • Data Analytics • Web Development • Applied Machine Learning • Long-term interest in AI and Cybersecurity
